"Let all that you do be done in love." 1 Corinthians 16:14

Art and Design Intent Statement

At St. Thomas of Canterbury C of E Primary School, we intend every child to be equipped to create, enjoy, experiment and reflect on art and design, through regular teaching of varied and progressive skill and knowledge-based units, built from the aims and content of the National Curriculum. We aim for pupils to master the skills, techniques and knowledge required for creating high-quality art; and embrace the value of art as, a rich opportunity to learn about other cultures and our heritage, by developing skills to engage critically and imaginatively.

By having a strong understanding and positive experience of observing and creating art at St Thomas of Canterbury C of E Primary School pupils will enhance their resilience and Christian character values to support their learning throughout school and into adulthood.
